

# AWR ANNUAL OFFERING MARCH 12, 2011

ADVENTIST WORLD RADIO TRAVELS  
WHERE MISSIONARIES CANNOT GO

### An AWR listener in Nepal writes:

“Your program has reached us in our remote but beautiful village. It has been able to touch many hearts and helped people to walk with hope. Now we need your help and your guidance to grow in our newfound faith.”

### AWR’s broadcasts are transforming lives in the hardest-to-reach places of the world:

- Programs are created by native speakers in each country.
- Several thousand hours of programs are broadcast each day, covering the majority of the world.
- Programs can be heard on AM, FM, and shortwave radio, as well as Internet podcasts and on demand.
- Broadcasts bypass political, cultural, and geographic barriers, bringing the message of God’s love to millions.

### On air and now online.

Visit [awr.org/invite](http://awr.org/invite) to download and print a podcasting invitation – available in multiple languages. Then encourage a friend or neighbor to listen online.
