AN AWR LISTENER IN THE MIDDLE EAST WRITES:

"Your station has been a first window for me to be introduced to Christianity in the right way. Please send me an Arabic Bible so that I can understand more."

AWR's broadcasts are transforming the lives of listeners in the hardest-to-reach places of the world:

- Programs are created in 75 languages by native speakers in each country.
- Several thousand hours of programs are broadcast each day, covering the majority of the world.
- Programs can be heard on AM, FM, and shortwave radio, as well as Internet podcasts and satellite transmissions.
- Broadcasts bypass political and geographic barriers, bringing the message of hope to millions.

With your help, many more eager listeners will be able to turn on their radios and hear of God's love for the first time.
